

# 2018 DISPLAY ROOM RESULTS

2018 was a great year for the Convention Display Room, with 10 well-done displays. There was a little something for everyone this year, ranging from a stoneware display on brushed ware to an art pottery entry that was all about ashtrays. We certainly didn't skimp on diversity! I want to thank everyone for participating this year and encourage more people to join in next year so we can fill the room with Red Wing! Thank you all for a wonderful year!
